RE: Degastyne, Peggy M.

OFFENSE: Driving Under the Influence in violation of 18 U.S.C. 13 assim. VA Code 18.2-266(ii).

SENTENCE: Two (2) year term of supervised probation with the special conditions as listed on page two (2).

ADJUSTMENT TO SUPERVISION: As of this writing, the defendant had successfully completed over three-quarters of the term of supervised probation prior to being arrested on June 1, 2014, for a new alcohol related traffic offense. As such, the defendant's adjustment to supervision appears unsatisfactory at this time.

The defendant entered and successfully completed the Bull Run Alcohol Safety Action (ASAP) during the term of supervision. On January 16, 2013, she was assessed by ASAP as needing educational classes and substance abuse counseling as directed. A substance abuse evaluation was conducted by the Prince William County Community Services Board on July 8, 2013, which did not recommend treatment placement for the defendant. The defendant successfully completed all program requirements on September 6, 2013. The defendant has further complied with substance abuse testing with no indication of illicit drug use during the supervision period.

On December 12, 2012, the defendant paid her monetary obligations in full.

The defendant's Virginia Driver's License was reinstated on April 29, 2014, and she has had full driving privileges since this time.

The defendant is currently employed full-time as an administrative assistant for the Heartland Dental Corporation.

VIOLATIONS: The following violations are submitted for the Court's consideration.

MANDATORY CONDITION/

SPECIAL CONDITION 4: NEW LAW VIOLATIONS WHILE ON PROBATION - 1) DRIVING WHILE INTOXICATED, 2<sup>ND</sup> OFFENSE WITHIN FIVE YEARS; AND 2) REFUSE TO SUBMIT TO BLOOD/BREATH TESTING, 2<sup>ND</sup> OFFENSE.

On June 1, 2014, at approximately 1:00 a.m., in Prince William County, Virginia, the defendant was arrested by Officer Trevin A. Frame, with the Prince William County Police Department pursuant to a traffic stop and

charged with the above-listed offenses. The defendant was transported to the Prince William County Detention Center where she was processed and released on her own recognizance. The charges were filed in Prince William County General District Court on June 3, 2014, and the defendant is scheduled to appear for her arraignment on July 22, 2014.

According to information received from Officer Frame, he initiated a traffic stop of a vehicle at the intersection of Sudley Road and Irongate Way in Manassas, Virginia after observing the vehicle swerve from its lane of travel. Officer Frame advised he identified the defendant as the driver of the vehicle. Officer Frame advised the defendant showed signs of impairment following field sobriety testing at which time she was arrested and transported for processing. Officer Frame reported that during processing at the Prince William County Detention Center, the defendant refused to submit to breath alcohol testing as requested.

The probation officer would note that the defendant promptly reported the law enforcement contact and new charges to the Probation Office as required by her condition of supervision.
